

PRESS RELEASE  
January 4, 2012  
Danville, Indiana

Cornerstone Rehabilitation Services owned by C.J. Gregory is merging with Sycamore Services, Inc. Cornerstone will become a new division of Sycamore allowing expansion of existing children's programs to serve more children and their families. This will improve both organizations' abilities to assist families seeking services for children who have unique therapeutic needs. Currently, both agencies are First Steps providers serving children from birth to three years of age with Physical, Occupational, Speech, Developmental Therapy and Nutritional needs. Those services will continue, and Cornerstone will continue to provide services to children over the age of 3 through The Bridge therapeutic preschool, private medically-based therapy, hippotherapy and recreational programs.

Pat Cockrum, CEO of Sycamore Services, said "It is nice to be able to work with someone who has the experience and a reputation such as C. J. Gregory and Cornerstone."
